Dear Families

STATIONERY 2018

Stationery for your children for the 2018 school year will be again be organised by Office Max. We have discussed requirements at various year levels and have sourced different materials. Many people who know this book pack system actually value it for the following reasons: **Good quality, specialised equipment** is available for children to use. For example headphones for using digital technologies have been sourced to enable the best learning options for your children. It's a '**one stop shop**' where you don't have to drive over town finding different supplies. **Flexible payment options** exist. Please pay when ordering.

ATTACHED ARE STATIONERY LISTS FOR 2018. DUE TO THE FRONT OFFICE BY FRIDAY 1st December. We will have limited stock to sell at the beginning of next year so please order by this due date as we cannot guarantee availability at the beginning of the year.

Office Max pack the book packs for each student and deliver them to the school. **This year we will be delivering them to classrooms ready for students so there is no need to pick them up.** Payment must accompany ordering. Payment details are over the page.

Funds from the Directorate are given to Lynham to support students accessing school activities and supplies when it is required. This is done quietly and sensitively throughout the year whenever the need arises. We will not ask families to purchase book packs where this causes financial hardship. We will continue to 'make things happen' for all our students – as our strong value of social justice guides us. **Supplies are monitored over the year by the teacher.**

If you have any questions about book packs, don't hesitate to contact the school.
