The P & C Clothing Pool accepts donations of school uniforms items that are suitable for use by other Lyneham Primary School families. We ask that donations are washed & be suitable for use/wear.

Occasionally the clothing pool will stock other school items (eg. shoes), we ask for a donation for these items please.

The prices will vary, but will be affordable. Please ask if there's anything not on this list. We are unable to pay for any items, but will happily accept them!

All money raised from the P & C Clothing Pool will go to the Lyneham Primary School P & C.

Thank you for your support.
