VOLUNTARY CONTRIBUTIONS FOR 2019

Dear Families,

Each year we ask for your support for our school through your voluntary family contribution. This forms an important part of our school budget. Your contributions assist us in ensuring that we can offer the best possible education and resources for students at Lyneham. The School Board, which includes parent members, works together to formulate the year's school budget. The money raised through your voluntary contributions, goes directly into specific curriculum budgets to benefit *all* students. (Including art and craft equipment, PE and sport, Maths, English, Science, new IT resources, special programs and the library).

Lyneham Primary School is given a basic allocation of funds from the Education Directorate. This amount is based on the number of students enrolled and covers only some school expenses. For many years, students have benefited from the additional resources provided through voluntary financial contributions from parents, carers and other citizens. The School Board has suggested the following contribution will directly support the educational programs by the school. This voluntary contribution may be made in full or in part or by instalments.

Below are some examples of what has been purchased with contributions from families. Some of the new devices such as netbooks and Chromebooks have been purchased with funds from voluntary contributions. Thank You!

P-6 Stationery Packs are an additional contribution.

The annual voluntary family contribution for Lyneham is \$165 for one student and \$250 for two children at school and \$300 for three or more attending the school.

Please note that this is an indicative amount only and any contribution is greatly valued.

If you would like further information, or would like to discuss this, please do not hesitate to contact one of us.

We are most grateful for your support,

Annamaria Zuffo

Principal

Adam Sheppard

School Board Chair

"Please note: The payment of this financial contribution is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential."
