

## Lyneham Primary School

Preschool to Year 6

### International Competitions and Assessments for Schools (ICAS) 2021

Students in Years 3-6 will have the opportunity to enter ICAS, conducted by Educational Assessment Australia (EAA), an enterprise of the University of New South Wales. This is the largest external assessment program for schools in Australia, New Zealand, Asia, India, South Africa, Hong Kong, China, and the Pacific region. Opportunities exist for students to participate in assessments across a range of learning areas.

These assessments are online and devised by EAA and give students a valuable opportunity to explore their skills and measure their achievements in an external assessment situation. All students receive individual feedback about their results and receive a certificate to recognise their efforts.

#### Parent Payment System

This year the school **will not** be accepting payment, we will be using the Parent Payment System.
