Lyneham Primary School

Preschool to Year 6

Dear Parents/Carers,

Lyneham Primary School is excited to be offering Year 2 students the opportunity to acquire essential life skills in water safety and survival through Royal Life Saving ACT.

The ACT Education and Training Directorate provides substantial funding for Year 2 students in ACT Public Schools to participate in the new Royal Life Saving ACT *Aqua Safe* program – a series of lessons focussed on general water safety and personal aquatic survival skills. This targeted approach will ensure every participating student has the opportunity to access structured aquatic activities during primary school hours.

The cost of the program is \$50 per student.

There are two steps to register your child;

1. Complete the online registration and payment using the link and information on the next page.
2. A permission has been sent home with your child. Sign and return the permission note by no later **Friday 20th August 2021**.

If you have any questions, please contact the front office on 6142 1720.

Sincerely,

Mitch Bartholomew
